Resources under development for making PaCT judgments

More resources for **making PaCT judgments**[1] are currently under development and will be added to the page during the first two terms of 2019. They are being designed to help you develop your understanding of how to effectively and efficiently make judgments. There will be a variety of resources that you can use by yourself, with a small group of teachers, or within your school or Kāhui Ako.

Videos	An information video explaining how to effectively and efficiently make judgments in PaCT. Videos of teachers describing how they make PaCT judgments.
Screencasts	Videos of the screens showing how to use the different view modes to make judgments.
More info	A paper describing the theory and process of making judgments, and the role of moderation in PaCT.
Case studies	Case studies that describe the experiences of teachers who make PaCT judgments for their class.
PLD activities	PLD activities to help teachers develop their understanding of how to make judgments in PaCT.
