

Resources under development for making PaCT judgments

More resources for the *Making PaCT judgments* webpage¹ are currently under development and will be added to the page during 2019. They are being designed to help you develop your understanding of how to effectively and efficiently make judgments. There will be a variety of resources that you can use by yourself, with a small group of teachers, or within your school or Kāhui Ako. A guide to this webpage will be developed once these resources are complete.

 Videos 	An information video explaining how to effectively and efficiently make judgments in PaCT (completed). Videos of teachers describing how they make PaCT judgments (completed).
 Screencasts 	Videos of the screens showing how to use the different view modes to make judgments (under development).
 More info 	A paper describing the theory and process of making judgments, and the role of moderation in PaCT (completed).
 Case studies 	Case studies that describe the experiences of teachers who make PaCT judgments for their class (under development).
 PLD activities 	PLD activities to help teachers develop their understanding of how to make judgments in PaCT (completed).
