

Resources under development for setting up and managing PaCT

More resources for the *Setting up and managing PaCT* webpage¹ are currently under development and will be added to the page during 2019. They are designed to help you implement and manage PaCT easily in your school. A guide to this webpage will be developed once these resources are complete.

 PaCT set up 	Instructions for each of the steps in the process to set up and manage PaCT (completed).
 PaCT and your SMS 	
 Managing PaCT 	
 Screencasts 	Videos of the screen showing how to set up and manage PaCT (under development).
